*Available in 7 sizes from 2 step to 8 step*

**INDUSTRIAL 150KG**

**AUSTRALIA'S #1 LADDER BRAND**

[baileyladders.com.au](http://baileyladders.com.au)

©2020 WernerCo. DOC20.0083

### FEATURES

- Industrial Duty Rated **150kg** load rating
- Product range **2 to 8** step
- Larger platform size is **600mm deep by 500mm wide**
- Spring loaded **100mm** castor system (**wider footprint**)
- **Safety gate** to be included (currently supplied as an accessory)
- **Rear tilt castors** included with option to fit or not to fit
- Yellow **powder coated handrails**
- **Simplified assembly** with tools included

# TRIPLE EXT. 6/14 – 150KG IND

**NEW**

Old Code	New Code
FS13557	FS13908

### CHANGES FROM OLD TO NEW

#### LOAD RATING

The new 150kg load rating provides a stronger and more durable ladder.

**INDUSTRIAL**

**150KG**

**INDUSTRIAL**

**135KG**

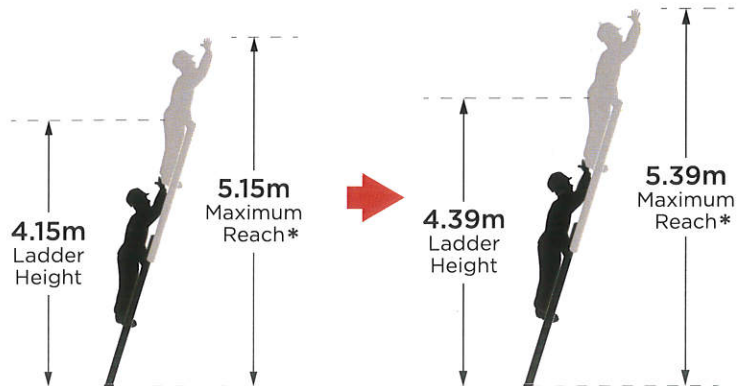

#### CONSTRUCTION METHOD

The new Punchlock construction improves resistance to ladder bounce and side sway providing a superior climbing experience.

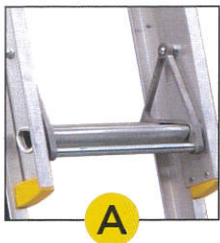

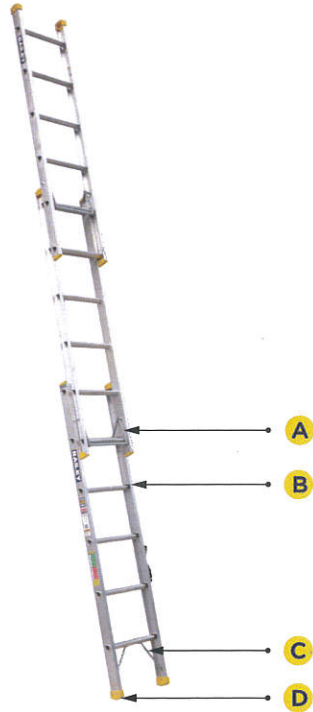

#### HEIGHT EXTENSION

The increase in extended ladder length increases reach height to 5.39m while the decrease in closed ladder length makes it easier to store and transport.

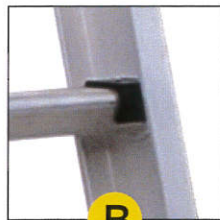

\*Ladder height and reach height both approximate. Assumes a 1.7m tall person with a 30cm reach.

**A**

#### CLUTCH DESIGN

Improved clutch design for easier operation and faster clutch engagement.

**B**

#### WEAR PADS

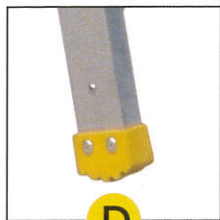

The New "Ezy-Glide" rung wear pads protect the rungs and make it easier to open and close the ladder.

**C**

#### LARGER BRACES

The new larger braces improve ladder strength and safety.

**D**

#### PVC BOOTS/ FEET

The PVC boots/ feet are easier to position and has better resistance to slip.
