## Nitrile Ultra soft Gloves Blue Powder free Progenics

### Description:

#### Progenics™ System Features

- Examination gloves
- Gloves are dispensed cuff first â€œ reducing the risk of contamination by not touching the finger and palm areas of the glove
- Fast and easy to use
- Cost effective due to reduced waste as gloves are dispensed individually
- Unused gloves cannot be reinserted into the box further reducing cross contamination
- The acrylic wall mounted dispenser bracket keeps gloves away from contaminated surfaces and boxes are easily removed and replaced
- Brackets are supplied in kits with screw fixings, double sided tape and mounting instructions.

#### Nitrile Ultra Soft
