#### SDCP2 Hard Cover Drum Bunding

Stores 2 drums in a lockable and weatherproof polyethylene bund. Simple to access and built with stays to hold lid open.

Model	Description	Capacity
SDCP2	Lockable Hardcover Poly Bund with Lid	400L

#### L30 Drum Rack - 250kg Capacity

This sturdily built rack has been designed to facilitate convenient, safe and efficient stowage of drums and barrels for decanting.

Taking the backbreaking work out of drum handling, they are indispensable in garages, warehouses and factories.

A standard 75mm nylon wheel is used for ease of replacement.
