

Box 'N' Bag Hand Trolley

Powder Coated RHS & Structural Steel.
 1290mm x 370mm Frame Size.
 Multi Grip Loop Handle.

The Load Support System provides full height, flat surface RHS frame for secure support of double box stacks. For example, you can carry 13 cartons of beer safely with this trolley instead of 7 cartons with most others.

Suitable for heavy loads of boxed & bagged products.
 e.g. drink products, frozen food, flour, tiles, appliances & furniture.

| Load Capacity | Base Plate | Wheel Diameter | Weight |
|---------------|-----------------|----------------|--------|
| 300kg | 430 x 240 x 9mm | 260mm | 22kg |

All Rounder TH300

Powder Coated Structural Steel.
 Ergonomic Hand Grips.
 1400mm x 370mm Frame Size.
 The Load Support System provides curved support with 60mm set back.

Adjustable drum holding hook or optional tub holding hook. When the hook is not required, simply rotate the mounting collar sideways out of the way.
 Suitable as a Multi Purpose Trolley.

Excellent for heavy drums, barrels, tubs, gas cylinders, garden ornaments, car & truck parts, paint cans, appliances & large boxed goods.

| Load Capacity | Base Plate | Wheel Diameter | Weight |
|---------------|-----------------|----------------|--------|
| 300kg | 430 x 240 x 9mm | 260mm | 20kg |

Hand Trolley (Mighty Tough) HTHS1019

| | |
|---------------------|-----------------------------|
| Product Name | Hand Trolley - Mighty Tough |
| Capacity (kg) | 300 |
| Trolley Size (mm) | 1180x370 |
| Toe Plate Size (mm) | 350(W)x280(L) |
| Wheel Type | Pneumatic |
| Tyre Size (mm) | 410x3.50x4 |

Mighty Tough by name, Mighty Tough by nature – suitable for loads up to 300kg, Richmond's versatile hand trolley is designed for long term heavy duty use.

Built to last, the frame is manufactured using heavy duty steel pipe (not 1 inch wall tube) and designed using Richmond's 50 plus years of material handling experience.

Heavy duty 3 piece steel rim pneumatic wheels with precision ball bearings are the answer for absorbing rough ground, protecting the load and ensuring safe and efficient use day in day out.

Optional 300mm diameter wide treaded pneumatic wheels suitable for use on a variety of surfaces including soft ground. Puncture proof wheels are also available to suit Richmond's Mighty Tough Hand Trolley.

Aluminium Hand Trolley HTHA1001

| | |
|--------------------------|-------------------------------------|
| Product Name | Hand Trolley - Heavy Duty Aluminium |
| Capacity (kg) | 250 |
| Trolley Size (mm) | 310x1565 |
| Wheel Type | Pneumatic |
| Platform | 305x1300 |
| Net Weight (kg) | 12.2 |
| Overall Size (mm) | 420x510x1260 |

Manufactured from robust aluminium extrusions, this 2 wheeled trolley is a perfect choice when the unit has to be lifted in and out of trucks all day. Its light weight, but high strength makes it the model for professionals. The high back makes it popular with removalists due to the ease with which it can handle heavy and awkward items.

Again fitted with high quality pneumatic wheels designed by Richmond, maximizing performance, safety, reliability and efficiency.

This Richmond hand trolley comes with a range of optional toe plates to suit your load, providing the utmost in safe handling. Puncture proof pneumatic wheels are another viable option.

Delivery Truck Aluminium Hand Trolley HTHA1009

| | |
|---------------------------|---------------------------------------|
| Product Name | Hand Trolley - Aluminium Dual Purpose |
| Capacity (kg) | 250 |
| Trolley Size (mm) | 305 X 1565 |
| Platform Size (mm) | 305 X 1300 |
| Wheel Type | PNEUMATIC |
| Overall Size (mm) | 520x1450x1150 |

Manufactured from robust aluminium extrusions this is the ultimate trolley for delivery trucks.

Light in weight but with high strength the 2 wheeler easily converts by the pull of a spring loaded lever into a versatile 4 wheel platform trolley.

It is simple to load and highly maneuverable, featuring an ergonomic handle in either position with ultra safe operation.

Again fitted with the highest quality pneumatic wheels and polyurethane tyred castors, designed to maximize performance, safety, reliability and efficiency.

This Richmond Dual Purpose hand trolley comes with a range of optional toe plates to suit your load, providing the utmost in safe handling.

Foam filled puncture proof pneumatic wheels offer another option for use on open ground.

TSHTSB Carton Trolley

Featuring your choice of Puncture Proof Wheels* / Pneumatic Wheels as options.

Easy Lean Back. This is a must for everyone who needs a heavy duty beverage trolley with the rugged performance

- Extra-wide reinforced steel shoe tailor-made for beverage cartons
- Trolley lays back at rest position aiding tilting during use
- Trolley dimensions – 1330mm H x 510mm W
- 300kg load rating
