

## SAFETY STEPS – 2-STEP WITH BRACKET

\* The Compact models are designed with a slightly steeper step angle to allow a smaller footprint. (No Bracket) \*

Model 210C Open / 210C Closed / 310 Open / 410 Open    Model 310B Open / 310B Closed / 410B Open / 510B Open

### Description

1. Extra wide and deep treads (360mm Wide x 230mm Deep), without sharp corners or edges.
2. Non-slip aluminum chequer plate design or black synthetic covering.
3. Large corrugated plastic foot pads ensure stability and protect flooring.
4. Optional: Set of 4 practical rubber-tired castoring wheels. The ball-bearing fitted wheels are spring mounted so that the wheels retract under load, ensuring stable standing when the Safety Steps are in use.

– *Easy Wheeler Kit also available (Two wheels at rear to tow steps with pick-up and tilt action).*(See Options)

5. Folding Safety Bracket provides a secure hold – includes plenty of space to hold tools, and also has a bucket hook on each side. (Safety Bracket height is 720mm on all models except for the 2-Step which is 475mm.)
