

## C-Series – Cast Iron Series

## Stationery – 415 Volt

**Built in Australia.**

**This industrial range of air compressors use only Australian made air receivers to the Australian Standard AS1210 as required by the Department of Occupational Health and Safety.**

- ◆ Heavy duty cast iron pumps.
- ◆ V-twin or W-triple cylinder configuration.
- ◆ Fully balanced flywheel with large cooling blades.
- ◆ Low pump speed.
- ◆ Single stage pump.
- ◆ Auto stop/start pressure switch.
- ◆ Motor overload protection.
- ◆ Totally enclosed fan cooled motor.
- ◆ Forklift feet.
- ◆ Warranty.
  - 12 months.

**Fu Sheng 3 phase available**

**C40**

**C75**
